An Index to *The Bulletin* of The ABC
Volume 48
March 1985 thru December 1985

Introduction

This indexes Volume 48, Numbers 1-4. It is arranged by the author/title, title/author, and the keyword. The numbers 48 : 4 : 4-5 : December 1985 represent the volume, issue, page, and date respectively. The author index gives the names of all the authors. In other words where there is more than one author for any article, cross reference entries have been made under the name(s) of coauthors also. The title and the keyword index if used together would facilitate a good subject search.
